

Dos and Don'ts of Credit Cards and Debt Worksheet

Instructions: Decide whether or not each item should or should not be done when it comes to credit cards

Do	Don't

1. Check your statements regularly
2. Close your credit card when you can't pay it
3. Ignore any incurred interest
4. Try and pay off your entire credit card every billing period
5. Use your entire credit card limit every month
6. Pay the statement balance every billing period
7. Always only pay the minimum balance
8. Know your payment due dates
